

Crazy Horse Memorial Foundation®

The Indian Museum of North America®

Collections Manager

Crazy Horse Memorial Foundation is currently seeking a qualified individual for the position of Collections Manager for The Indian Museum of North America®. The successful candidate must possess knowledge of best conservation standards and practices, museum registration methods, cataloguing, and appropriate artifact storage practices for a variety of artifact types. A Bachelor's Degree in museum studies, art history or arts administration is required (Master's preferred). A minimum of five to seven years of collections research and museum experience with a direct collections or registration experience is required. Knowledge of collection management software, preferably Past Perfect is required. The proven ability to coordinate and manage multiple, concurrent projects is highly desired. Knowledge of Native American history and contemporary art a plus. The successful candidate must possess prior supervision and management experience. Qualified candidates may submit their application and resume via mail to:
