Employment Information

Crazy Horse Memorial Foundation is a non-profit cultural and educational humanitarian project with three major goals: the Mountain Carving, the INDIAN MUSEUM OF NORTH AMERICA® and the INDIAN UNIVERSITY OF NORTH AMERICA®, and, when feasible, a Medical Training Center for North American Indians. The main visitor complex consists of several buildings where Crazy Horse Memorial Foundation operates a welcome center, theaters, galleries, museums, and Van Rides to the top of Crazy Horse Mountain. At this main complex, Korczak's Heritage, Inc. operates a gift shop, Laughing Water Restaurant and Snack Shop, and bus rides to the bottom of the Mountain Carving. A short distance South of this location, Crazy Horse Memorial Foundation operates Heritage Village Campground.

What we Expect of You

If you are a team player who wants to work and share our dedication to exceed our guests' expectations, we encourage you to consider a seasonal or year-round position at Crazy Horse Memorial Foundation or Korczak's Heritage, Inc. We hope you will enjoy the Black Hills of South Dakota on your days off, but we expect you to be committed to your job responsibilities while at work. We are committed to providing great service in all areas of our facilities. In order to achieve this, you as an employee, are expected to make a similar commitment to excellence and achievement in your own personal standards and work habits. We are looking for employees with previous experience in restaurant, retail sales and other guest services, and employees who may have little job related experience, but are willing to work hard, enjoy working with and for people, and take pride in a job well done.

Basic Employment Requirements

Ability Dates: Our season begins in early May when we begin gearing up for the summer season and extends into November. Some positions are year round. Your employment chances improve if you can arrive early and work late in the season. Be **REALISTIC** and **SPECIFIC** about the exact date you will available to start and the last day you can work, as these dates will become part of your employment agreement.

Age: All employees must be age 14 or over upon reporting to work.

Appearance Standards

The personal appearance of all employees is very important in presenting a positive and professional image of Crazy Horse Memorial to visitors and guests. In this regard, the following standards are imposed as a basic condition of employment for all employees:

1. Hairstyles must be neat, clean and well-groomed at all times and cannot be extreme in style or color. Beards may be worn, provided they are kept well trimmed and groomed.
2. Employees involved with preparing and serving food and beverages are required to conform to all applicable health and sanitation regulations. Employees beards must also comply with current health department guidelines.
3. Any jewelry worn by employees on the job must be conservative, in good taste, appropriate to working attire and not in conflict with any job-related safety standards. No more than 2 earrings may be worn in each ear at one time. No other visible body piercing jewelry may be worn.

Appearance Standards Continued

4. Employees are not allowed to wear shorts, open-toe shoes, tank tops, “spaghetti” strap tops, or obscene or offensive attire of any kind.
5. Headphones and other electronic sound devices may not be worn or carried. Cell phones may be carried but not used while working.
6. Management will determine appropriate appearance and dress standards for various job categories. Employees may be required to wear certain uniforms or attire particular to the work area.
7. Uniforms, where required, must be kept clean and pressed or be wrinkle free. All uniform tops with shirttails shall be “tucked in” while on the facility and grounds including the parking lot.
8. No smoking is allowed while on duty. Smoking will only be allowed in designated areas during break.

Drug Free Work Place

Our goal is to provide a drug free work-place that is free from the effects of illegal or non-prescribed drugs and alcohol. By signing your employment agreement you consent to a blood, breath or urine test if you are involved in a work related accident.

Work Schedule and Compensation

All seasonal employees are paid an hourly rate. Most seasonal employees will work 5 days a week with 2 days off per week. Shifts can start any hour of the day and split shifts are possible. During periods of slow business, schedules may be shorted. Vacation days are only earned by year round, full-time, full-time flex and part-time regular employees. It is important to note that pay periods run on a two week cycle with pay day being every other Friday. Therefore, it would be advisable to bring some additional money to cover your expenses until your first paycheck. Seasonal employees who complete their employment agreement with satisfactory end of season employment evaluation will be eligible to receive an end of season bonus up to 25¢ per hour for every hour worked. Any employee who begins as seasonal and becomes year-round will receive a bonus during their first year only for hours worked through Labor Day Weekend of that first year.

Application for Employment

We consider applications for all positions without regard to race, color, religion, sex, national origin, age, marital or veteran status, the presence of a non-job related medical condition or handicap, or other legally protected status.

Please Read Carefully

Thank you for your interest in employment with our Corporations. You need to be aware that working at Crazy Horse Memorial can be demanding. The hours are sometimes long and hard. Some guests are unreasonable and critical of employees and service. Emergencies can arise which require unexpected changes in scheduling and job assignments. Therefore, we need people who are willing and able to work hard and learn their job quickly and perform their duties responsibly. Our employees must be dependable, sensible, respectful, respectable and FLEXIBLE people who like to have fun while they work with people on a day-to-day basis.

We realize that beginning and ending dates for student employees are dependent on school schedules and other circumstances. Many students are unable to work through October. However, we do expect most employees to work through Labor Day weekend. Please note that this application form was designed for the seasonal employee. However, there are a limited number of year-round positions available. Remember to enclose your completed application, and resume if you have one, and the dates you will be available for employment. Good luck!
