Crazy Horse Memorial®: The Artist in Residence for August is Jessica Mehta

August 1, 2020 – Crazy Horse, SD

Crazy Horse Memorial® is pleased to announce Cherokee artist and poet, Jessica Mehta as the Artist in Residence for the month of August. In light of challenges presented by Covid-19, we will be holding this residency remotely with Jessica working from her home studio in Hillsboro, Oregon, and providing updates throughout the month that will be shared virtually through the social media pages of The Indian Museum of North America®.

Mehta will be working on a variety of projects during her residency including finalizing edits to forthcoming poetry collections and experimenting with different ways of disseminating her poetry-on-vinyl series to a more accessible virtual model. Finally, Mehta is working in the Independent Publishing Resource Center with letterpress, risograph, and screenprinting, all of which will be featured in her latest project, which showcases the work of Native poets featuring their own handwriting.
