

Would you like the opportunity to experience working at a distinctive college program nestled in the Black Hills of South Dakota with Indigenous students who are committed to higher education success, navigating career pathways, and experiencing community building with other high achieving students? The Indian University of North America® of Crazy Horse Memorial®, in partnership with Black Hills State University, seeks Residential Advisors to provide on-site supervision and support in our 7TH GEN.® Program for Summer 2024.

Residential Advisors will supervise incoming freshmen students, over 8 weeks (June 4-August 10) ensuring the health and safety of all participants, facilitating out-of-class activities, chaperoning field trips, and assisting University staff, faculty, and administrators.

Applicants should possess a desire to work with a wide range of high school graduates from across the nation, provide mentor-style learning, and promote a positive learning and living community. Will be housed in the residence halls during the length of the contract, with room and board provided.

From this pool of applicants, we will pursue an Assistant Manager of Residence Life, a position with additional responsibilities and added compensation. Extra duties include coordinating group activities, problem solving, and effective communication to coordinators and administrators.

Some college is preferred, and Native Americans enrolled in Federally Recognized tribes are encouraged to apply. Applicants must possess a valid driving license and have the ability to pass a background check. Housing and meals are provided by Crazy Horse Memorial Foundation. Compensation is competitive.

Please send a copy of your resume and cover letter to madison.mendoza@crazyhorse.org or mail documents to:
